**BEST CASE SCENARIO** It holds top Instagram posts, all your appointments, your favorite games and so much more: Yes, our smartphone is the one accessory we never leave home without, and it deserves to be toted in style. From wood to sophisticated geometric shapes to pops of bright colors— this season's case art makes for an easy summer update. Bonus: All these styles come from locally based companies: Boulder's Cradl, Otter Box out of Fort Collins and Denver's Bark Accessories.
